

OCEAN STATE PICKLEBALL

Membership and Guest Rate Updates - Effective September 1, 2026

Subject: Important OSP Membership Updates and New Plus-Member Savings

Dear OSP Members,

First and foremost, thank you for being such an important part of the Ocean State Pickleball community. OSP has always been about much more than courts and competition. It is the friendships, laughter, encouragement, and shared love of pickleball that have made our club feel like a family. We are incredibly grateful for the energy, loyalty, and support each of you brings to OSP.

The OSP team works very hard to bring you the very best instruction, leagues, and drop-ins every day at our beautiful club.

After maintaining our membership rates without an increase for over two years, we will be adjusting our membership and guest rates beginning September 1, 2026.

Like most businesses, we have experienced increased operating costs over the past several years. We have worked hard to minimize what is passed along to our members while continuing to provide the quality, availability, programming, and personal service that make OSP special.

New Membership Rates

Membership	Current rate	New rate (as of September 1, 2026)	Monthly increase / equivalent
Ocean initiation	\$216	\$259	
Ocean monthly	\$69/month (\$828/year)	\$79/month (\$948/year)	+\$10/month
Ocean Plus	\$776/year	\$860/year	+\$84/year (+\$7/month)
Ocean Partner initiation	\$269	\$343	
Ocean Partner monthly	\$119/month (\$1,428/year)	\$137/month (\$1,644/year)	+\$18/month
Ocean Partner Plus	\$1,308/year	\$1,452/year	+\$144/year (+\$12/month)

Current monthly members will not be charged another initiation fee. Their memberships will simply continue at the new monthly rate until they choose to change or cancel.

Initiation fees apply only to new Ocean and Ocean Partner monthly memberships. There is no initiation fee for Ocean Plus or Ocean Partner Plus memberships.

A Special Thank-You for Our Plus Members

Ocean Plus and Ocean Partner Plus memberships renew annually based on the date each member originally joined. Therefore, every Plus member has an individual anniversary renewal date.

Check your anniversary renewal date

The new annual rate will apply at your next anniversary renewal occurring on or after September 1, 2026. You can view your anniversary renewal date at any time through your OSP account.

At that renewal, returning Plus members will receive an OSP credit as a thank-you for their continued loyalty:

- \$10 OSP credit with an individual Ocean Plus renewal
- \$20 total OSP credit with an Ocean Partner Plus renewal - \$10 per person

These credits apply specifically to Plus memberships. Monthly memberships continue automatically and do not have an anniversary renewal or renewal credit. Current monthly members who switch to an annual Plus membership as part of this year's offer will also receive the applicable \$10 individual or \$20 partner credit.

How Much Does Plus Save?

Comparison	Ocean Plus / Partner Plus annual price	Ocean / Ocean Partner monthly cost (12 months)	Savings
Ocean Plus vs. Ocean	\$860	\$948	\$88
Ocean Partner Plus vs. Ocean Partner	\$1,452	\$1,644	\$192

The annual Plus memberships provide savings of at least one monthly payment compared with 12 months on the corresponding monthly plan.

Thinking About Switching From Monthly to Plus?

This is an especially good year to make the switch. Comparing the new monthly rates with the new annual Plus rates shows the savings clearly:

- At the new Ocean monthly rate of \$79, 12 months would cost \$948. Ocean Plus is \$860 for the year, saving \$88 before the credit. With the \$10 OSP credit, the total first-year savings are \$98.
- At the new Ocean Partner monthly rate of \$137, 12 months would cost \$1,644. Ocean Partner Plus is \$1,452 for the year, saving \$192 before the credit. With the \$20 total OSP credit, the total first-year savings are \$212.

Important: Monthly plans allow members to spread the cost across recurring monthly payments rather than making one annual payment. They may be canceled at any time without penalty, but they cost more over 12 months than Plus. Switching from Plus to monthly, or restarting a canceled monthly membership, is treated as a new monthly enrollment and requires the applicable initiation fee. Moving from monthly to Plus does not require an initiation fee.

Updated Guest Rates

Beginning September 1, 2026, the following guest rates will also change:

Guest activity	Current rate	New rate (as of September 1, 2026)
Guest leveled drop-in	\$20	\$25
Four-player court reservation	\$20 per player	\$25 per player

These guest-rate adjustments further expand the savings provided by an OSP membership. **Member court-rental rates will not increase, and drop-ins will remain free.**

The Value of Being an OSP Member

Even with these adjustments, we at OSP provide the strongest overall pickleball membership values in the region.

Benefit	OSP guest	OSP member
Leveled drop-ins	\$25 per session	Free
Four-player court reservation	\$25 per player	\$9.75 per player
Leagues, lessons, classes and training	Guest pricing	Savings frequently 30-50%+
Plus renewal credit	Not available	\$10 individual / \$20 partner

\$75 Member Referral Credit

Refer a new individual or partner membership and receive a \$75 OSP credit. One credit is issued per new membership. This does not apply when an existing member adds a spouse or partner, or converts an individual plan to a partner plan.
